

SEPTEMBER 2003

- 9-11 U.S. Environmental Protection Agency. (Free) **Workshop on Mining-Impacted Native American Lands.** Reno, NV. www.epa.gov/ttbnrml/miningimpact.htm
- 12 University of California at Berkeley. **A Decade of Water Policy Reform: The Central Valley Project Improvement Act in 2003.** Berkeley, CA. Phone 510-642-5440.
- 16-19 International Ground Water Modeling Center. **MODFLOW and More 2003: Understanding through Modeling.** Golden, CO. www.mines.edu/research/igwmc/events/
- 17-20 Arizona Hydrological Society. **16th Annual Symposium.** Mesa (Phoenix area), AZ. www.azhydrosoc.org
- 22-23 CLE International. **Western Water Law.** Denver, CO. www.cle.com
- 25 National Business Institute. **Fundamentals of Water Law in Arizona: Protecting Water Rights, Use and Quality.** Phoenix, AZ. www.nbi-sems.com/
- 25- 26 The University of Montana Center for Riverine Science and Stream Re-Naturalization. **Assessing and Re-naturalizing Streams Impacted by Mining.** Missoula, MT. www.umt.edu/rivercenter/
- 25-27 Arizona Water and Pollution Control Association. **19th Tri-State Seminar-on-the-River.** Laughlin, NV. www.tristateseminar.com
- 29-Oct. 3 National Ground Water Association. **Natural Attenuation, Risk Assessment, and Risk-Based Corrective Action.** San Diego, CA. www.ngwa.org/education
- 30 Groundwater Resources Association of California. **Subsurface Vapor Intrusion to Indoor Air: When is Soil and Groundwater Contamination an Indoor Air Issue?** San Jose, CA. www.grac.org/ia.html

OCTOBER 2003

- 1 Groundwater Resources Association of California. **Subsurface Vapor Intrusion to Indoor Air: When is Soil and Groundwater Contamination an Indoor Air Issue?** Long Beach, CA. www.grac.org/ia.html
- 2-3 CLE International. **Texas Water Law.** Austin, TX. www.cle.com
- 4-9 American Institute of Professional Geologists. **40th AIPG Annual Meeting.** Glenwood Springs, CO. www.aipg.org
- 5-8 Inland Northwest Research Alliance. **2003 Subsurface Science Symposium: Advances in Understanding and Modeling Subsurface Processes.** Salt Lake City, UT. www.b-there.com/breg/inra/
- 5-9 International Water Resource Association. **XI World Water Congress: Water Resources Management in the 21st Century.** Madrid, Spain. www.cedex.es/iwracongress2003/en/hoja2_en.htm
- 9-10 CLE International. **California Water Law.** San Diego, CA. www.cle.com
- 12-15 Colorado State University and other sponsors. **10th Annual Conference on Tailings and Mine Waste.** Fort Collins, CO. www.engr.colostate.edu/hsrc/
- 14-15 National Ground Water Association. **Ground Water Data Management Using Microsoft, Oracle, and Internet Database Technologies.** Westerville, OH. www.ngwa.org/education
- 17-18 Xeriscape Council of New Mexico. **Water: Our Future...Our Legacy.** Albuquerque, NM. www.xeriscapenm.com
- 28-29 Groundwater Resources Association of California and University of California Center for Water Resources. **24th Biennial Groundwater Conference and 12th Annual GRA Meeting.** Ontario, CA. www.grac.org
- 28-30 Multiple Federal Agencies. **First Interagency Conference on Research in the Watersheds.** Benson, AZ. www.tucson.ars.ag.gov/unit/ICRW.htm
- 28-30 National Ground Water Association. **Natural and Enhanced Bioremediation.** Orange, CA. www.ngwa.org/education

NOVEMBER 2003

- 2-5 Geological Society of America. **Annual Meeting.** Seattle, WA. www.geosociety.org/meetings/2003
- 3-6 American Water Resources Association. **2003 Annual National Meeting.** San Diego, CA. www.awra.org/meetings/California2003/
- 5-6 New Mexico Water Resources Research Institute. **48th Annual New Mexico Water Conference.** Santa Ana Pueblo, NM. wri.nmsu.edu/
- 12-15 Groundwater Foundation. **Annual Conference: Water Supply Scarcity.** Las Vegas, NV. www.groundwater.org
- 13-14 CLE International. **Endangered Species Act.** Tucson, AZ. www.cle.com
- 13-14 National Ground Water Association. **Isotopic and Hydrogeological Characterization of Fractured Rock Settings: Current and Novel Approaches.** Denver, CO. www.ngwa.org/education
- 18-20 National Ground Water Association. **Fracture Trace and Lineament Analysis: Applications to Ground Water Resources Characterization and Protection.** Reno, NV. www.ngwa.org/education

DECEMBER 2003

- 8-12 American Geophysical Union. **AGU Fall Meeting.** San Francisco, CA. www.agu.org/meetings/fm03
- 10 Groundwater Resources Association of California. **1,4-Dioxane Symposium.** San Jose, CA. www.grac.org
