Employment Opportunity

OPERATIONS MANAGER, Job Number 345, Austin, Texas

Would you like to lead the Austin Operations of a rapidly growing employee-owned water resources and environmental consulting firm? Recruit and hire rainmakers and technical specialists? Lead efforts to execute multiple years of contracted backlog? Develop new business with municipalities and resource-management agencies?

Daniel B. Stephens & Associates, Inc. (DBS&A) is a progressive water resources and environmental science consulting firm, serving a broad spectrum of government and private sector clients, providing comprehensive services in groundwater and surface water hydrology, the investigation and remediation of soil and groundwater, and soil sciences.

We are seeking an Operations Manager for our Austin, TX office with at least 10 years of hydrogeological experience including managing multiple projects or programs, managing office operations, and at least 5 years of experience supervising technical and administrative staff, preferably in a consulting

environment. This position requires a BS degree, MS degree or PE/PG preferred, in one of the following disciplines: geology, hydrology, hydrogeology, engineering, or closely related area. Desirable areas of experience include groundwater contamination, site characterization, hydrogeologic analysis, groundwater resources analysis, and knowledge of TCEQ regulations. This position requires effective communication and interpersonal skills, as well as strong leadership, team building, supervisory, and problem-solving and decision-making skills. Knowledge of budgeting and cost control is required. Existing client relationships, a strong track record in business development, and knowledge of the local environmental and water resources market are required.

For immediate consideration, please email (MS Word) resume with cover letter specifying Job Number 345, references and salary requirements to: hr@dbstephens.com. Mail to Human Resources Director, DBS&A, 6020 Academy Rd., NE, Albuquerque, NM 87109. EEO/AA Employer. www.dbstephens.co.
